CAREER OBJECTIVE

Administrative and Operations Professional with experience in documentation, data management, digital operations, content management, and process coordination. Seeking to contribute my organizational and administrative skills to support efficient operations and organizational growth.

EXPERIENCE

1. Independent Digital Projects & Operations Specialist

November 2024 – Present

- Developed and published websites, Android applications, and digital books.
- Utilized AI tools, Canva, and Microsoft Office for content creation, design, documentation, and project management.
- Managed online publishing, app deployment, and digital product monetization through advertising and royalties.
- Demonstrated self-management, problem-solving, digital literacy, and entrepreneurial skills through independently operated projects.
- Managed multiple digital projects independently, including planning, execution, publishing, and performance monitoring.
- Maintained project documentation, digital assets, and workflow records to ensure organized project delivery.

2. Content & Digital Marketing Associate – Vishvena Techno Solutions Pvt Ltd.

June 2023 – September 2024 | Bangalore

- Developed and managed the company website with frequent updates and content enhancements.
- Led SEO campaigns focusing on keyword research, link building, and ranking improvement.
- Created digital marketing materials, increasing brand awareness and website traffic by **30%**.
- Assisted in **Google Ads and Facebook campaigns**, optimizing ad performance and ROI.

3. Junior Processing Associate – Parikar Business and Knowledge Services Pvt Ltd.

July 2018 – June 2019 | Tirupati

- Processed and managed **HDFC Home Loan documentation** for client portfolios.
 - Trained and mentored **new associates** on internal processes, improving team efficiency.
 - Ensured **100% data accuracy** in daily documentation and client management tasks.
-
